

Wesco Fabrics 2010 Platinum Sales Incentive: Positano and the Amalfi Coast

Positano is a sparkling gem in the amazing jewelry box of Italy's Amalfi Coast. Positano, the Island of Capri, and Ravello have been favorites of Roman emperors, jetsetters, billionaires with their mega yachts, and celebrities from around the world. And soon, the WESCO FABRICS group of beautiful people. After you land in Naples your driver will stop in Pompeii for a tour. Your days may find you luxuriating on your terrace, or the pebble beach, staring at the mesmerizing azure sea. Take a jet ferry to Capri or Amalfi. Dine on wonderful specialties of the region and enjoy the lovely wines from Campania. We will travel to Ravello, 1000 feet up from the sea, and enjoy a delightful lunch. Afterwards we will tour the famous Villa Cimbrone gardens. The glistening sea sparkles as the fishing boats bob with the waves far below in the bay. Time for a limoncello. Our trip will allow you to truly savor the magical experience of the Amalfi Coast.
