## WESCO PRODUCT INFORMATION

### HUNTER DOUGLAS PRICE INCREASE

Hunter Douglas has announced a price increase effective **May 3, 2011**. A new Reference Guide is available for \$35.00.

### WES SATEEN COMBO

New stock of our lining, Wes Sateen Combo, is now 100% cotton, not 50% cotton and 50% polyester. Please note in your Spring 2011 catalog.

### WES ATLAS

Due to a labeling error some samples of our lining, Wes Atlas, say it is flame retardant. The fabric IS NOT FR. Please check your samples and correct if necessary.

In this digital age of Websites, Facebook, Twitter, search engines, YouTube videos, blogs and email newsletters, how do you choose what will work for your business? Which of these can actually make a difference to your sales?

Greg Jameson will answer these questions at the presentation Thursday, May 5, from 2:30 to 3:30 p.m. in the Wesco Fabrics' showroom at the Denver Design District.

We hired Greg from Webstores, Ltd. to help us with our Wesco Fabrics Facebook page. Greg is an expert on website development and shopping cart software. An acclaimed software developer, his awards include Colorado Small Business of the Year, Inc. 500, and International Developer of the Year. You can also contact Greg at [webstores.com](http://webstores.com).
